### NY-NJ Trail Conference seeks volunteers April 28-29

The NY-NJ Trail Conference is seeking volunteers at its headquarters, 600 Ramapo Valley Road, Mahwah, to divide and transplant native plants and continue weeding and mulching. Volunteers can take home some of the plants that are being divided.

Bring your favorite garden tools — shovels and rakes will be helpful — and work gloves. The Trail Conference has some tools in case you don't have your own. Be sure to bring water and wear sunscreen and long pants and apply bug spray.

Volunteers are needed on the following days and times:

- Sunday, April 28, from 9 am-noon; to sign up for Sunday, click [here](#).
- Monday, April 29 from 4:30-6:30 pm; to sign up for Monday, click [here](#).

You can earn hours for your volunteering.
